

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of .1000 per \$100 valuation has been proposed by the governing body of Montgomery County Emergency Service District No. 9.

PROPOSED TAX RATE	\$0.1000 per \$100
NO-NEW REVENUE TAX RATE	\$0.0850 per \$100
VOTER-APPROVAL TAX RATE	\$0.0882 per \$100
DE MINIMIS RATE	\$0.1215 per \$100

The no-new revenue tax rate is the tax rate for the 2020 tax year that will raise the same amount of property tax revenue for Montgomery County Emergency Service District No. 9 from the same properties in both the 2019 tax year and the 2020 tax year.

The voter-approval tax rate is the highest tax rate that Montgomery County Emergency Service District No. 9 may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for Montgomery County Emergency Service District No. 9 exceeds the voter-approval tax rate for Montgomery County Emergency Service District No. 9.

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for Montgomery County Emergency Service District No. 9, the rate that will raise \$500,000, and the current debt rate for Montgomery County Emergency Service District No. 9.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that Montgomery County Emergency Service District No. 9 is proposing to increase property taxes for the 2020 tax year.

A public hearing on the proposed tax rate will be held on September 08, 2020 at 5:00 PM at Station 81, 16723 FM 2090, Conroe, TX 77306.

The proposed tax rate is greater than the voter-approval tax rate, but not greater than the de minimis rate. However, the proposed tax rate exceeds the rate that allows voters to petition for an election under Section 26.075, Tax Code. If Montgomery County Emergency Service District No. 9 adopts the proposed tax rate, the qualified voters of the Montgomery County Emergency Service District No. 9 may petition the Montgomery County Emergency Service District No. 9 to require an election to be held to determine whether to reduce the proposed tax rate. If a majority of the voters reject the proposed tax rate, the tax rate of the Montgomery County Emergency Service District No. 9 will be the voter-approval tax rate of the Montgomery County Emergency Service District No. 9.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

$$\text{property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$
